

Mission Statement

The Phelan Chamber of Commerce exists to promote economic and civic vitality as well as a real sense of community between its business, residential, governmental and non-profit members and the public.

“In every community there is work to be done. In every nation, there are wounds to heal. In every heart there is the power to do it.”

- Marianne Williamson

OUR EXECUTIVE DIRECTOR

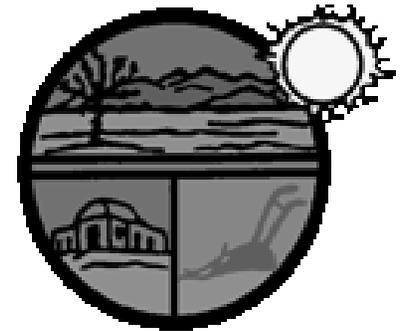

Alex Brandon has had over forty years of business experience, from general management in multi-million dollar concerns to owning his own dinner houses and lounges to success in the nonprofit sector as well. Alex is also an elected Director of the Phelan Piñon Hills Community Services District (CSD). He has been involved in our Chamber since moving to Phelan 14 years ago, the last six of which have been as the Chamber's only employee.

Membership

Membership helps to bring instant credibility to your business. You can increase positive perception among your customers (and potential customers) when you have your Phelan Chamber plaque hanging in your business. 29% of consumers, overall, think an establishment has higher business standards if they are a Chamber member. And, for instance, when a restaurant is a member of the local Chamber, 40% are more likely to eat there over the next few months than if they were not.

The amount of investment in the Chamber is a low, low \$75 per year. And only \$45 for an individual or 501c3 nonprofit corporation. It would be a bargain at twice the price!

An application is yours for the calling or emailing, or is downloadable from phelanchamber.org.

BENEFITS

Membership increases your visibility in the community. You'll be listed in our online member directory and on our Facebook page. Your handsome Chamber plaque is looked for and recognized by community members. You can grow your business by advertising with the Chamber and sponsoring Chamber/community events. We will even arrange and promote your grand opening, ribbon cutting, re-grand opening or after hours mixer for you.

Networking is available through a variety of opportunities such as general membership lunch meetings, board meetings, committees, civic events, other clubs and groups who are members, and in partnership with the CSD. All of these give you a chance to promote your product or service.

The chamber also makes referrals ONLY to its own members.

After being around for 53 years, the Chamber has the connections you may need to take advantage of. Local government, state associations and other Chambers are just a few. Your Phelan Chamber of Commerce enjoys a particularly close relationship with the Snowline Joint Unified School District and the Phelan Piñon Hills Community Services District.

Our website works for us all the time. Our Executive Director is available M - F from 8 AM to Noon, and responds to email and voicemail every day.
